what is our annual leave policy in 5 bullet points and no more than 100 words

 **Bot**

Here are five key points from the annual leave policy:

1. **Annual Leave Entitlement:** Employees must retain enough days to cover any company shutdown periods [1].
2. **Leave Approval:** All leave must be pre-authorized via the company's online system [1].
3. **Public Holidays:** Employees may need to work on public holidays and will receive a day's leave in lieu [1].
4. **Untaken Leave:** Generally, untaken leave cannot be carried forward unless approved by a Director [2].
5. **Holiday Pay:** Employees will receive their normal pay during annual leave [1].

1 Policy Statement

1.1 Introduction

We are an equal opportunities employer. We are committed to equality of opportunity and to providing a service and following practices which are free from unfair and unlawful discrimination. The aim of this policy is to ensure that no applicant or member of staff receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation, or is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance. It seeks also to ensure that no person is victimised or subjected to any form of bullying or harassment.

Deep Dive

Policy Classification + Approval Process

Classification | Approval Process Steps

Understanding Policy Classification

Additional fields can be added to reflect your classification needs

Approval Process Scenarios

SME Approval Process (Subject Matter Expert)

- Where the person, or group of people, who approve policies are known in advance
- Groups are set for each department and each approval step

Freeform Approval Process

- Where the approver(s) are not known in advance
- The user is empowered to select the right person(s) in the organisation

Delegated Approval Process

- Where the requestor is approving the process on behalf a board / committee
- Can be added to either of the SME or Freeform processes or be standalone

Non-Material Change Approval Process

- No formal approval process required
- Can optional push out next review date

The Delegated Approval Process can be appended to the both the SME and Freeform Approval Processes

SME Approval Process

Step 1: SME Approval

- Requestor assigns to one or many 1st Level Department Approvers
- Configured as “First Approves” or “Everyone must approve”

Step 2: SME Approval (Optional Step)

- Either
 - User assigns to one or many of the predefined Approvers
 - Automatically goes to all predefined Approvers
- Configured as “First Approves” or “Everyone must approve”

Step 3: Delegated Approval / Board Approval (Optional Step)

- User approves the policy on behalf someone else
- Date and “behalf” data is collected

Step 4: Automatically Publish

- At a “Document Type” level, documents can be selected to be automatically converted to PDF before publishing
- The Finalised Document is now published to the Policy Hub

Freeform Approval Process

Step 1: Freeform Approval

- Requestor assigns to one or many Approvers selected from the employee directory
- Configured as “First Approves” or “Everyone must approve”

Step 2: Freeform Approval (Optional Step)

- Requestor assigns to one or many Approvers selected from the employee directory
- Configured as “First Approves” or “Everyone must approve”

Step 3: Delegated Approval / Board Approval (Optional Step)

- User approves the policy on behalf someone else
- Date and “behalf” data is collected

Step 4: Automatically Publish

- At a “Document Type” level, documents can be selected to be automatically converted to PDF before publishing
- The Finalised Document is now published to the Policy Hub

Delegated (Manual) Approval Process

Step 1: Delegated Approval / Board Approval

- User approves the policy on behalf someone else
- Date and “behalf” data is collected

Step 2: Automatically Publish

- At a “Document Type” level, documents can be selected to be automatically converted to PDF before publishing
- The Finalised Document is now published to the Policy Hub

Non-Material Change Approval Process

Step 1: Non-Material Change Approval

- User approves the policy with comments
- Optionally the next review date is updated

Step 2: Automatically Publish

- At a “Document Type” level, documents can be selected to be automatically converted to PDF before publishing
- The Finalised Document is now published to the Policy Hub
