

ACCELERATE YOUR LEAN JOURNEY

SHARE, LEARN & GROW TOGETHER

An AME Consortium is a local network of 20+ companies collaborating to drive faster, deeper, and more effective lean and continuous improvement (CI). Designed for practitioner-to-practitioner learning, consortia help you achieve enterprise excellence—better, faster and easier than going it alone.

AME CONSORTIA BENEFITS

- Rotating plant tours at member sites
- Roundtable discussions on current challenges
- Special interest groups (5S, VSM, pull systems, etc.)
- Auditor exchanges to deepen lean-CI practices
- Shared strategic planning across member organizations
- Shared-cost learning events & training
- Discounts on AME workshops, events and job postings
- Access to the AME Lean Sensei® for advanced self-assessments
- Lowest group rate to the AME International Conference
- Includes AME corporate membership
