VENUE HIRE

OPERATION TIMES

MAIN BAR & VIP ROOM

Tuesday - Sunday 5.30pm - 1am

VENUE CAPACITY

Max Legends 91

THE VIBE

Moody jungle realness meets inner-city chaos. Graffitied walls, treehouse-style nooks, and house/techno pumping all night.

Out the back? Couches for catching up, making out - your call.

Photobooth for the memories (or regrets).

Drinks poured fast, heavy, and with zero attitude.

Everyone's welcome - just no d*ckheads.

SHARED SPACE BOOKINGS

No ropes. No velvet. Not sectioned off. Just you, your mates, and a bar tab with your name on it.

You'll be right in the action - good vibes, loud tunes, cold drinks. No private area, just a red-hot night with your crew and a casual booking that lets you do your thing.

Perfect for those "not a full function but still wanna make it a thing" kinda nights.

PICK AN OPTION

Go big with a booze package, or keep it classic with a bar tab or cash bar. Either way, we've got the drinks, the chaos, and the heavy lifting covered - you just show up and send it.

BAR TAB
Set a limit, get wristbands, top up anytime. Easy as.

CASH BAR
Everyone pays their own way. Still counts toward your minimum spend.

PICK A PRIVATE SPACE

Whether you're vibin' with a full takeover, locking in the back, showing off in the DJ-side booth, or getting rowdy in the VIP room - we've got a space to suit your sesh.

No stress, no weird rules. Just good energy, cold drinks, bangin' tunes, and a crew that knows how to throw down.

Pick an option, or run a classic cash bar if that's more your flavour. Either way, you bring the crew - we'll bring the party. Let's send it.

FULL VENUE

Wanna go full send? Take the whole damn thing. Bar, booth, DJ, chaos - all yours. No strangers, no limits, just you and up to 90 of your favourite people doing whatever the hell you want (within reason… kinda). Perfect for big birthdays, brand takeovers, wrap parties, or anyone who doesn't do half-arsed.
