

JOB ANNOUNCEMENT

Experienced FIS Quantum consultants

Remote / Hybrid / Office

About SkySparc

SkySparc is a dynamic business consultancy strategically positioned at the intersection of financial markets and technology. For over 20 years we have been dedicated to delivering value to corporates and financial institutions by championing efficiency through progressive software, domain expertise, and technological excellence.

We extend our expertise to first-in-class banks, central banks, asset managers and corporate treasuries worldwide, boasting a client list that includes world-renowned financial institutions and blue-chip companies.

Join us at SkySparc, where our mix of experience, innovation, and growth creates a unique and exciting opportunity for young professionals seeking a dynamic career at the forefront of financial and technological evolution.

We are an equal opportunities employer, who believes that diversity is good for our people and our business. We encourage all suitably qualified and eligible candidates to apply regardless of their gender identity/expression, age, racial, ethnic, and cultural background, religion and beliefs, sexual orientation/identity, disability, or neurodiversity.

Your role

As part of our ongoing efforts to expand our FIS practice, SkySparc is looking for experienced business and technical FIS Quantum Treasury Management Solution consultants, either in an office or remotely, as an employee or as an external contractor.

Your role will include providing functional expertise and advice during projects either on-site or remotely, across our client base.

The ideal candidate will have gained in-depth functional Quantum knowledge as a user or consultant, and have the ability to work flexibly in a team environment to a high level of professionalism, supporting long-term client relationships.
