

JOB ANNOUNCEMENT

Graduate/Junior SAP Consultant

Hybrid – Based at any infiniance/SkySparc offices

Kickstart your treasury consulting career with infiniance

infiniance, a SkySparc company, is looking for a Graduate/Junior SAP Consultant specializing in Finance, Treasury and Payments to join our growing team. This is an exciting opportunity for recent graduates or early-career professionals to develop expertise in treasury technology and consulting, working with leading organizations to optimize their treasury operations.

Join a team of highly skilled treasury professionals and gain hands-on experience in system implementation, process automation, risk management and financial technology.

Your role

- Assist in the implementation and optimization of SAP Finance & Treasury solutions for corporate clients
- Support clients in cash management, liquidity forecasting and payment processes
- Work with senior consultants on SAP S/4HANA Finance, Treasury and Risk Management projects
- Assist in system migrations, upgrades and integrations
- Help develop automation, reporting and compliance solutions
- Gain valuable experience in treasury advisory and best-practices

Required skills, experience and qualifications

- Degree in Finance, Economics, IT or related fields
- Interest in treasury management, financial systems and SAP solutions
- Strong analytical and problem-solving skills

- Ability to work independently and in teams in a fast-paced environment
- Good communication skills and a proactive mindset
- Previous experience with SAP or treasury-related projects is a plus but not required

Why Join infiniance/SkySparc?

- Kickstart your career in treasury consulting with hands-on training and mentorship
- Work on exciting projects with top-tier corporate clients across diverse industries
- Hybrid work flexibility – opportunities to be based at any infiniance/SkySparc offices
- Collaborate with a team of treasury, finance and technology experts
- Access to cutting-edge financial technology and career development opportunities
