Important Tour Information:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 16 people (maximum of 24).

***The gardens of Villa Cimbrone are only accessible by a pedestrian path that is made of approximately 200 large shallow steps. The distance from the village to the entrance of the gardens is 0.4 miles (650 meters). The same distance must be covered uphill to return to the village where the tour bus can meet you.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as Naples, Positano, Amalfi, Alberobello, and Matera which requires the ability to walk up and down hills on narrow, cobblestone streets and negotiate stairs.

In order to fully experience the destination, some of our hotels on these tours are located in smaller towns or on country roads where access is limited to large coaches. In these cases, you will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area.

Days of features are interchangeable.

*The hike along the Path of Lemons and/or the boat trip to Maiori may be cancelled in case of inclement weather or adverse sea conditions. The hike is 2.4 miles (3.8 kilometers) long and involves multiple flights of stairs; a boat will be provided for travelers who prefer not to hike.

**The ferry boat service does not operate between November and March. During these months a substitute bus service will be provided. In case of

adverse sea conditions, the ferry service may be suspended at any time, in which case a substitute bus service will be provided. Travelers prone to seasickness should take proper precautions.

Most shops and businesses in Italy are closed on Sundays and on national/religious holidays.

****On select departures, the cave dwelling accommodations in Matera and the *trulli* accommodations in Alberobello may not be available. In these instances, you will be accommodated in a more traditional hotel property. On most departures, your accommodations in Matera and Alberobello will be in 'scattered hotels' with rooms located in various buildings close to a central lobby and breakfast room. In order to fully experience the destination, these properties are located in areas where access is limited for large coaches. You will be dropped off as close as possible and there will be a short walk to access the hotel from the drop-off area. In 'scattered hotels' each room is unique, full of history, with standard amenities, and brimming with true local flavor. This is part of the fun!

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. When reserving single accommodations, be advised that single rooms in Italy are often smaller in size.

Triple and child accommodations are not available.

Smaller buses, which may not be lavatory equipped, may be used on this tour. In this case, frequent stops are made during travel periods.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Our departure transfers will depart from Alberobello city center to the Bari airport.

Our air travelers will arrive into Naples airport and depart out of Bari airport.
