

POWER UP OKLAHOMA

POWERING ECONOMIC GROWTH FOR A STRONGER OKLAHOMA

WHO WE ARE

Power Up Oklahoma (PUO) is a coalition of organizations, businesses, and individuals dedicated to promoting economic growth through sustainable energy solutions and working to build a competitive and thriving future for our communities.

MISSION

ROOTED IN TRADITION, FOCUSED ON THE FUTURE

For generations, Oklahoma has helped fuel the nation, and that tradition continues with a new, modernized mix of energy solutions. PUO strives to unlock the economic growth opportunities available to the state through embracing energy expansion, championing a pro-business climate, and educating Oklahomans on the vast benefits of affordable, low-cost power.

WHY JOIN?

Energy powers our lives, and it fuels Oklahoma's future! Becoming a member of PUO means joining a growing movement of community members, business leaders, and economic development organizations committed to building a stronger, more resilient Oklahoma. Together, we're raising awareness about smart energy solutions, strengthening local economies, and securing a brighter future for all Oklahomans.

OKLAHOMA ADVANCED POWER BY THE NUMBERS

\$27B+ in private investment

Enough to power
3.4M homes

\$159M+ in local, state, and
property taxes every year
