

ANONYMOUS DIGITAL REPORTING SYSTEM

On 16.12.2022, the **Whistleblower Protection Act (HinSchG)** was passed by the German Bundestag, implementing the **EU Whistleblower Directive**.

The Directive at a Glance:

Whistleblowers are especially important to society, as they have the courage to expose wrongdoing through their reports.

To better protect them from negative consequences in the future – such as dismissal, demotion, intimidation, or similar – EU Directive 2019/1937 on the protection of persons who report breaches of Union law (whistleblowers) entered into force in the EU Parliament on 16.12.2019.

The Goal of the Directive:

- Detecting and preventing violations
- Establishing **confidential** and **secure reporting channels**
- Providing **effective protection** for **whistleblowers** against consequences

Who Is Affected by the Directive:

Small and large companies with **50+ employees**, **public sector institutions**, **authorities**, and **municipalities** with 10,000+ residents.

With the **WhistleBlowBox**, we offer you an anonymous digital reporting system.

Anonymous, GDPR-compliant, with no storage of personal data, **encrypted messages** and reports are made available with a time-traceable history. Multiple ombudspersons are possible, with maximum security thanks to optional **two-factor authentication**.

Our WhistleBlowBox is also multilingual.

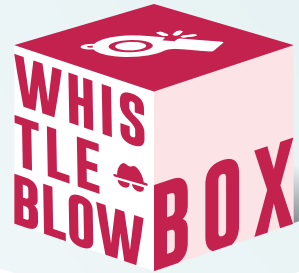

- Ensuring they **cannot be held liable** in connection with their employment
- Neither under civil, criminal, nor administrative law
