

## Certification Letter – FIDS Product Designer

To whom it may concern,

This is to certify that **Mr. Gancho Churkov** participated as **Product Designer** in the creation of the **concept and graphical design** of the new **Flight Information Display System (FIDS)** for **Sofia Airport**.

Mr. Churkov was responsible for:

- Designing the **visual concept and user experience** of the FIDS screens.
- Developing the **graphical interface** and visual hierarchy to optimize passenger information clarity.
- Ensuring alignment with **SITA's technical specifications** and Sofia Airport's design system standards.
- Contributing to the delivery of a **modern, scalable, and accessible design solution** for passengers.

We hereby confirm Mr. Churkov's contribution and certify his participation in the design phase of the project.

Sincerely,

SITA
