Knowing this weakness of ours, Allah ﷻ revealed Surah Al-Waqi'ah, which comprehensively and powerfully conveys the reality of the Afterlife and what awaits us. Inevitable is an eye opening study of the Afterlife based on Surah Al-Waqi'ah. We will cover the inevitable coming of the Day of Judgment, its terrors, the joys that await the believers, the punishment that awaits the wicked, and the thought provoking arguments this Surah puts forth for humanity to awaken and prepare for the Afterlife.

We will cover the concepts, methods, and causes of revelation (Wahy), the history of the compilation of the Quran, the miraculous nature (I'jaz) of the Quran, the prerequisites of explaining the Quran (Tafsir), current English translations available, and common mistakes made when attempting to understand the Quran.
