## MIFTAAH INSTITUTE

In 2017, Miftaah Institute was established to empower and educate Islamic values within the lens of the Prophetic teachings of unity and **mercy**. We strive to make our programs accessible and approachable for college students and professionals that aspire to enhance their knowledge and spirituality. Miftaah is based out of Warren, Michigan and offers a rich transformational journey of learning Classical Arabic, Quranic literature, and Prophetic tradition in an **inclusive** environment. Miftaah's yearly highlight is the Winter Seerah Intensive, where students from across the United States and Canada join together to study the life of the beloved Prophet Muhammad ﷺ.

*Prophet Muhammed ﷺ states:*

**"Glad tidings to that individual who becomes a  
Miftaah (key) towards good and a lock towards evil."**

*(Sunan Ibn Majah: 244)*

# PREVIOUS STUDENT EXPERIENCES

## PREVIOUS STUDENT EXPERIENCES

### WHAT DO OTHERS HAVE TO SAY?

I've learned the Prophet's Seerah multiple times growing up, but this was the first time I was able to dedicate a large amount of time to learn it fully in depth at once. I highly recommend this intensive for those who know nothing about the Prophet ﷺ and to those who do know him but want to learn more and revive their love and respect for him. Studying the Seerah should be a requirement for every Muslim to strengthen our imaan and improve our relationship with Allah ﷻ and those around us.

**MALAK SILMI**

Miftaah's Seerah Intensive was the absolute best 7 days of my life. If I could do it all over again, I would (and I plan to insha'Allah!). This was the best way to spend winter break and I highly recommend for everyone to end their year with an experience like this. Shaykh Abdullah is so eloquent when delivering the Seerah of our beloved Prophet ﷺ in great detail - from the hardships he endured to the way he joked with his wives (RA). It was truly a journey where we related (to one another and the life of the Prophet ﷺ), we laughed, we cried, and we gained. Miftaah provided all materials such as slides, recordings, digital and hard paper workbooks. I see life differently now and have opened my heart even more to Allah SWT, the Prophet ﷺ, and Islam as a whole now that I understand what it took to get to this point (alhamdulillah). I think it's safe to say there was not a single dry [eye] in that room by the end of the week.
