Summer school will run from **July 9, 2026 through August 19, 2026**. The **last day of instruction will be August 17**, followed by **Regents Examination days on August 18 and August 19**. ****CURRENT SENIORS/12TH GRADERS SHOULD COME IN JULY 6TH****

Program Schedule

- **Monday–Thursday:** 8:00 AM – 12:30 PM
- **Lunch:** 10:00 AM – 10:30 AM
- **Fridays:** Asynchronous learning (students will be assigned independent work to complete at home)

Students are expected to attend all in-person sessions and complete all assigned asynchronous work on Fridays.

Importance of Summer School

Summer school provides students with a critical opportunity to:

- Earn missing course credits
- Prepare for and pass Regents Examinations
- Stay on track toward graduation

Consistent attendance and active participation are essential. Students who attend regularly and engage in their coursework are significantly more likely to successfully recover credits and meet graduation requirements.

If you have any questions, please contact the school and ask to speak to your students' counselor.
