Additional benefits

Scheduled / MAC design	In and out-of-network claim payments are based on the amounts agreed to by network dentist, known as a negotiated fee schedule. If the submitted charge is more than the scheduled amount you may be responsible for paying the difference for out of network claims.
Maximum accumulation	Some of your unused annual benefit maximum can be carried over to the next year. To qualify, you must have had a dental service performed within the calendar year and used less than the maximum threshold. The threshold is equal to the lesser of 50% of the out-of-network maximum benefit or \$1,000. If the qualification is met, 50% of the threshold is carried over to next year's maximum benefit. Individuals with fourth quarter effective dates will start qualifying for rollover at the beginning of the next calendar year. You can accumulate no more than four times the carry over amount. The entire accumulation amount will be forfeited if no dental service is submitted within a calendar year
Periodontal program	If you're pregnant or have diabetes or heart disease, you may receive scaling and root planing covered at 100% (if dentally necessary), or one additional cleaning (routine or periodontal) subject to deductible and coinsurance.
Second opinion program	You may be eligible for second opinions from dental providers at 100%. This program makes sure you get the best advice to make an informed decision about your care.
Cancer treatment oral health program	If you have cancer and are undergoing chemotherapy or head/neck radiation therapy, you may receive up to three fluoride treatments every 12 months covered at 100% plus one additional routine cleaning.
General anesthesia program	If you have autism, Down syndrome, cerebral palsy, muscular dystrophy, or spina bifida you may receive general anesthesia or intravenous sedation coverage. Services must be administered in a dental office. All other contractual limitations apply.

How do I find a network dentist?

When you receive services from a dentist in our network, your cost may be lower. Network dentists agree to lower their fees for dental services and not charge you the difference. You'll have access to the Principal Plan Dental network, with more than 117,000 dentists nationwide. Visit principal.com/dentist to find a dentist or call 800-247-4695.

What if my dentist isn't in the network?

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-247-4695, or submitting a form at principal.com/refer-dental-provider.

What are the limitations and exclusions of my coverage?

- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information. We strongly recommend submitting a predetermination to determine benefits.

What are the restrictions of my coverage?

Orthodontia	If there is orthodontia (ortho) treatment in progress on the coverage effective date and you are covered under any prior group coverage for ortho, there will be immediate coverage for treatment if proof is submitted that shows: 1) The lifetime maximum under any prior group coverage has not been exceeded, 2) Ortho treatment was started and bands or appliances were inserted while insured under any prior group coverage, and 3) Ortho treatment has been continued while insured under this policy. Principal Life will credit payments made by the prior carrier toward the Principal Life lifetime ortho payment limit. You will not be covered if ortho treatment is in progress prior to the effective date with Principal Life and you are not covered under any prior group coverage for ortho.
