

**50** Corridor TMA + **Sac** TMA

# SWITCH TO PAY-PER-MILE AUTO INSURANCE

**DRIVE LESS, PAY LESS.**

## HOW IT WORKS

With pay-per-mile auto insurance, you save money when you drive less. The billed amount will vary based on the miles you drive. It includes a base charge that is constant, with a per-mile charge added on top that reflects the miles you drive during each billing period.

You can save more by carpooling, walking, biking, and taking transit.

**Here are insurers currently offering coverage in California based solely on miles driven:**

**Metromile**

**Nationwide**
