WELCOME

A MESSAGE FROM PRESIDENT &
EXECUTIVE CREATIVE DIRECTOR

The PXG Fall/Winter 2021 Collection is designed to be modern, with a fashion and lifestyle focus, that highlights the duality and versatility of our apparel. Inspired by the vibrant energy and adaptability of one of my favorite destinations, New York City, as well as the resilience of our communities across the world over the past year, we want these pieces to make our wearers feel strong, empowered, and supported. This collection consists of a muted color palette and luxurious textures to reinvent your game, reflect your lifestyle, and give you confidence on or off the course.
