

**SPRING/SUMMER 2022**

**A MESSAGE FROM PRESIDENT &  
EXECUTIVE CREATIVE DIRECTOR, PXG APPAREL**

Our Spring/Summer 2022 Collection invites you to thrive in every moment with apparel that takes PXG Sport Fashion to new heights. Inspired by the stunning sunrises and sunsets of Arizona—home to PXG—this edgy collection was born to shine with invigorating hues from Arizona Red to Evening Blue. Crafted from high-tech fabrics in modern silhouettes, these cutting-edge designs are geared toward the future. Over half the collection is sustainably sourced or produced—helping you feel as good as you look, on the course and everywhere life takes you.

A handwritten signature in black ink that reads "Renee Parsons". The signature is fluid and cursive, with a long horizontal stroke at the end.
