

A photograph of a rooftop terrace with a group of people sitting at tables and on chairs. In the background is a large, ornate red brick building with many windows and chimneys, likely a historic London building. The scene is set during the day with bright sunlight. Large green patio umbrellas are open over the seating areas. The text 'RIVVIA' is at the top, followed by the address and website. The main title 'Regent's Rooftop' is in large white letters across the middle. Below it, a description of the space is provided.
