Independent Auditor's Report

To the Board of Directors Chattanooga Area Food Bank, Inc. Chattanooga, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of the Chattanooga Area Food Bank, Inc. (a nonprofit organization) (the Organization) which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements. We have also audited the accompanying consolidated financial statements of the Chattanooga Area Food Bank, Inc. and subsidiary, which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the June 30, 2018, financial statements referred to above present fairly, in all material respects, the financial position of the Chattanooga Area Food Bank, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Also, in our opinion, the June 30, 2017, consolidated financial statements present fairly, in all material respects, the consolidated financial position of Chattanooga Area Food Bank, Inc. and subsidiary as of June 30, 2017, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter - Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of federal and state awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Mauldin & Jenkins, LLC

In accordance with Government Auditing Standards, we have also issued our report dated October 29, 2018, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

Chattanooga, Tennessee October 29, 2018

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 1. Summary of Significant Accounting Policies

The accounting and reporting policies of the Chattanooga Area Food Bank, Inc. (the Organization) conform with United States generally accepted accounting principles (GAAP) and practices within the not-for-profit industry. The policies that materially affect financial position and results of operations are summarized as follows:

Nature of operations:

The Organization operates as a nonprofit entity that receives donations of food which it distributes to other tax-exempt organizations in Tennessee and Georgia to eliminate hunger and promote better nutrition for the region. The Organization is also a certified member of Feeding America, the Nation's Food Bank Network.

The Organization had a wholly-owned subsidiary, Harvested Here Food Hub, LLC, which sought to connect local farmers with local restaurants, retail grocers, and institutions. The subsidiary ceased operations as of December 31, 2016, and was terminated on June 1, 2017. Its operations were not material to the Organization's financial statements.

Principles of consolidation:

The consolidated financial statements as of and for the year ended June 30, 2017, include the accounts of the Organization and its subsidiary. All material intercompany accounts and transactions have been eliminated in consolidation.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Revenue recognition:

Grants and contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions to the Organization of appreciated assets are valued at fair market value at the date of receipt by the Organization.

Revenue that is restricted by the donor is reported as increases in unrestricted net assets if the restriction expires or is met in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose of restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 1. Summary of Significant Accounting Policies (continued)

Revenue recognition: (continued)

The Organization also receives grant revenue from various federal and state agencies. Grant revenue is recognized in the period the liability is incurred for eligible expenditures under the terms of the grant. Grant funds received prior to expenditure are recorded initially as deferred revenue.

Net assets:

Based on the existence or absence of donor-imposed restrictions, the Organization's net assets have been grouped into the following three classes:

Permanently restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on these assets.

Temporarily restricted — Net assets whose use by the Organization is subject to donor-imposed or legal stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire by the passage of time.

Unrestricted – Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

As of June 30, 2018 and 2017, the Organization had only unrestricted and temporarily restricted net assets.

Cash:

Cash consists principally of checking account balances. The Organization considers all cash and highly liquid investments with original maturities of three months or less to be cash equivalents.

Concentrations of credit risk:

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash equivalents. The Organization places its cash equivalents with financial institutions and limits the amount of credit exposure to any one financial institution. From time to time, the Organization's cash balances exceed federal depository insurance coverage and management considers this to be a normal business risk. The Organization has not experienced any losses on its cash equivalents.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 1. Summary of Significant Accounting Policies (continued)

Investments:

Investments are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Fair values of marketable securities with readily determinable fair values are based on quoted market prices. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statements of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law.

Land, building and equipment:

Land, building and equipment are stated at cost if purchased or fair value if donated. Maintenance and repairs are expensed as incurred while major additions and improvements are capitalized. Depreciation is provided on the straight-line basis over the estimated useful lives of the assets as follows:

Building	40 years
Vehicles	5 years
Office furniture and fixtures	5-20 years
Greenhouse	6-15 years
Warehouse equipment	5-15 years

Donated non-cash items other than food:

The Organization reports donations of non-cash items other than food as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Donated services:

No amounts have been reflected in the accompanying financial statements for donated services. The Organization depends upon the services donated by volunteers to carry out many of its internal operations. However, the services donated do not meet the current reporting requirements under ASC Topic 958, *Not-for-Profit Entities*, which would require recognition in the financial statements.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 1. Summary of Significant Accounting Policies (continued)

Inventories:

Food inventories include donated food, purchased inventory, and undistributed USDA commodities. Donated food received from food drives, food companies, grocery stores, Feeding America, and the USDA is valued at \$1.70 per pound for the year ending June 30, 2018 and \$1.59 per pound for the year ending June 30, 2017. These values represent the estimated average market value at the date of gift, based on studies commissioned by Feeding America. Purchased inventory is reported at cost.

Accounts receivable:

The Organization charges a share maintenance fee to recover a portion of the cost of food purchasing, storage, handling and delivery to other not-for-profit agencies. Accounts receivable are reported at gross sales price less any applicable payments, adjustments or allowances for uncollectible accounts. The Organization extends credit based on evaluation of those agencies' financial condition and generally does not require collateral.

The Organization estimates an allowance for uncollectible accounts based on its knowledge of agencies' individual credit circumstances, the Organization's historical loss experience, and other current economic conditions. Accounts determined to be uncollectible are charged-off against the allowance in the period of determination. Subsequent recoveries of amount previously charged-off are credited to the allowance in the period received.

Functional expenses:

Expenses that can be directly attributed to a particular function are charged to that function. Certain costs have been allocated among more than one program or activity based on objectively evaluated financial and non-financial data or reasonable subjective methods determined by management.

Income tax status:

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is exempt from Federal income taxes on related income pursuant to Section 501 of the Code. However, any income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 1. Summary of Significant Accounting Policies (continued)

Income tax status: (continued)

The Organization accounts for income taxes in accordance with income tax accounting guidance in ASC Topic 740, *Income Taxes*. The Organization follows the statutory requirement for its income tax accounting and generally avoids risks associated with potentially problematic tax positions that may be challenged upon examination. Management believes any liability resulting from taxing authorities imposing additional income taxes from activities deemed to be unrelated to the Organization's non-taxable status would not have a material effect on the Organization's financial statements. With few exceptions, the Organization is no longer subject to tax examinations by tax authorities for years before 2015.

Advertising costs:

Advertising costs are charged to expense as incurred.

Subsequent events:

Management performed an evaluation of subsequent events through October 29, 2018, the date these financial statements were available to be issued.

Note 2. Inventories

Inventories consist of the following as of June 30, 2018 and 2017:

	2018	2017
Donated inventory	\$1,261,980	, ,
Purchased inventory	<u>284,383</u>	266,228
	<u>\$1,546,363</u>	<u>\$1,386,042</u>

Note 3. Accounts Receivable

Accounts receivable consist of the following at June 30, 2018 and 2017:

		2017
Member agencies Other customers Allowance for bad debts	\$114,290 7,361 <u>(4,041</u>)	\$95,215 3,453 (4,565)
	<u>\$117,610</u>	\$94,103

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 4. Contributions Receivable

Contributions receivable were \$19,614 and \$140,402 at June 30, 2018 and 2017, respectively, and are due within one year. Management believes that all contributions receivable are fully collectible at June 30, 2018 and 2017; therefore, there are no allowances for uncollectible contributions receivable.

Note 5. Investments

A summary of investments at June 30, 2018 and 2017, is as follows:

		2017
Mutual funds	\$59,653	\$ -

Investment return for the year ended June 30, 2018 was \$268.

Note 6. Land, Building and Equipment

A summary of land, building and equipment at June 30, 2018 and 2017, is as follows:

	2018	2017
Land and land improvements Building Vehicles Office furniture and fixtures Greenhouse Warehouse equipment Construction in process	\$ 685,028 2,724,116 747,919 278,177 26,741 912,117 	\$ 685,028 2,686,828 624,475 275,346 26,741 833,919 12,594
Accumulated depreciation	5,379,515 (1,927,233) \$ 3,452,282	5,144,931 (1,641,262) \$3,503,669

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 7. Note Payable

The Organization had a note payable to a bank due in monthly installments of \$5,399 through July 1, 2017, which it paid off on July 1, 2017.

Note 8. Temporarily Restricted Net Assets

Temporarily restricted net assets are available for the following purposes at June 30, 2018 and 2017:

	2018	2017
Undistributed food inventory	\$1,261,980	\$1,119,814
Closing the Meal Gap program	-	50,000
Capital improvements	14,160	28,968
Children's programs	196,454	95,590
Healthcare program	35,417	-
Produce	-	110,000
Other restrictions	128,175	<u>166,098</u>
Total temporarily restricted net assets	<u>\$1,636,186</u>	<u>\$1,570,470</u>

Temporarily restricted net assets are included in cash, inventory, and contributions receivable.

During the years ended June 30, 2018 and 2017, net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of events specified by donors as follows:

	2018	2017
Distributed food inventory Closing the Meal Gap program Capital improvements Harvested Here Food Hub, LLC operations Children's programs Healthcare program Produce Other restrictions	\$ - 50,000 14,808 - 112,257 14,583 110,000 _187,531	\$ 65,433 304,823 48,424 187,869 9,840 18,072
	<u>\$489,179</u>	<u>\$787,776</u>

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 9. Lease Commitments

The Organization leases office space and equipment pursuant to lease agreements with varying terms. The leases expire at various dates through June 2019. Rent expense totaled \$22,140 and \$45,931 for the years ended June 30, 2018 and 2017, respectively. Future minimum rental payments required under the operating leases are as follows:

Year Ending June 30, 2019

\$22,668

Note 10. Capital Lease

The Organization leases equipment under an agreement that is classified as a capital lease. The cost of equipment under the capital lease totaled \$123,445 at June 30, 2018, and has been included in property and equipment. Amortization expense of the leased equipment for the year ended June 30, 2018, was \$16,459 and has been included in depreciation expense.

The future minimum lease payments under the capital lease and the present value of the net minimum lease payments for the year ended June 30 are as follows:

2019	\$ 22,728
2020	22,728
2021	22,728
2022	22,728
2023	22,728
Thereafter	32,629
Total minimum lease payments	146,269
Less: Amount representing interest	_(31,243)
Total minimum future rental payments	<u>\$115,026</u>

Note 11. Retirement Plan

The Organization has established a deferred salary reduction plan under Section 403(b) of the Internal Revenue Code covering employees who have attained the age of 21 and have completed at least one year of service. The Organization matches contributions by eligible employees up to 3% of compensation. Employer contributions immediately vest. The Organization's matching contributions were \$19,016 and \$19,144 for the years ended June 30, 2018 and 2017, respectively.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 12. Fair Value Measurements

The Organization utilizes fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with ASC Topic 820, Fair Value Measurements and Disclosures, the fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 provides a consistent definition of fair value, which focuses on exit price in an orderly transaction between market participants at the measurement date under current market conditions. If there has been a significant decrease in the volume and level of activity for the asset or liability, a change in valuation technique or the use of multiple valuation techniques may be appropriate. In such instances, determining the price at which willing market participants would transact at the measurement date under current market conditions depends on the facts and circumstances and requires the use of significant judgment. The fair value is a reasonable point within the range that is most representative of fair value under current market conditions.

ASC Topic 820 also establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.
- Level 2 Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.
- Level 3 Significant unobservable inputs that reflect the Organization's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 12. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2018 and 2017.

Donated inventory: Valued based on poundage times a standard rate. The standard rate is updated annually based on a study commissioned by Feeding America, which is classified as Level 3. The inputs used in the valuation include twenty-nine product types calculating a weighted average value for the year based on actual donated pounds by type on a national level.

Mutual funds: Valued at the net asset value of shares held by the Organization at year-end. The mutual funds held by the Organization are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of donated inventory could result in a different fair value measurement at the reporting date.

The table below presents the recorded amount of assets measured at fair value on a recurring basis:

	Balance as of June 30, 2018	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Mutual funds Donated inventory	\$ 59,653 	\$59,653 	\$ - 	\$ - _1,261,980
Total assets at fair value	<u>\$1,321,633</u>	<u>\$59,653</u>	<u>\$ - </u>	<u>\$1,261,980</u>

NOTES TO FINANCIAL STATEMENTS June 30, 2018 and 2017

Note 12. Fair Value Measurements (continued)

The table below presents additional information about assets measured at fair value on a recurring basis by reliance on Level 3 inputs to determine fair value at June 30, 2018 and 2017.

	Donated Inventory		
	20182017		
Beginning balance Food received Food distributed	\$ 1,119,814 \$ 1,185,247 22,515,000 23,119,810 (22,372,834) (23,185,243)		
Ending balance	<u>\$ 1,261,980</u>		

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period. For the years ended June 30, 2018 and 2017, there were no transfers in or out of Levels 1, 2 or 3.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS June 30, 2018 and 2017

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant activity of the Organization under programs of the federal government for the year ended June 30, 2018. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursements.

Note 3. Deferred Grant Revenue

The amount of deferred grant revenue for contract GR-20802 at June 30, 2018 and 2017, represents the amount of USDA inventory on hand.

Note 4. Indirect Cost Rate

The Organization has elected to not use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements

Performed in Accordance With Government Auditing Standards

To the Board of Directors Chattanooga Area Food Bank, Inc. Chattanooga, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Chattanooga Area Food Bank, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 29, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Chattanooga, Tennessee October 29, 2018

Mauldin & Jenkins, LLC

Independent Auditor's Report on Compliance For Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors Chattanooga Area Food Bank, Inc. Chattanooga, Tennessee

Report on Compliance for Each Major Federal Program

We have audited the Chattanooga Area Food Bank, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect the Organization's major federal program for the year ended June 30, 2018. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Chattanooga Area Food Bank, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
