

Notice of the LCA

Employer seeks the approval of a labor condition application for one worker in the position of Applied Research Engineer from 10/01/2026 to 09/30/2029. The worker will be employed in San Francisco, CA, and paid an annual salary of at least \$220,000. The worker is also permitted to work remotely from their home office in San Francisco, which is within the same MSA.

The occupational classification for this position is based on the U.S. Department of Labor OES data for O*Net/SOC Job Code 15-1221.00, Computer and Information Research Scientists.

The level 4 prevailing wage in San Francisco, CA (San Francisco County) is \$209,082 / year.

The labor condition application relating to the worker is available for public inspection at Labelbox, Inc., 510 Treat Avenue, San Francisco, CA 94110.

Complaints alleging misrepresentation of material facts in the labor condition application and/or failure to comply with the terms of the labor condition application may be filed with any office of the Wage and Hour Division of the U.S. Department of Labor.
