

ABOUT PPG

With every can of PPG paint, you get more than paint, you get knowledge, over 135 years of it. Knowledge that has protected landmarks, built communities and revolutionized industries. A global team of experts in over 50 countries at your side from first inspiration to final stroke. With every can of PPG paint, you get obsessive determination. Determination to create products that perform for any project. Products that professionals trust when their reputation is on the line and products that homeowners trust for projects that matter most, because every project big or small, begins with a single can of PPG paint.

PPG VOICE OF COLOUR™ PROGRAM

PPG Voice Of Colour was developed on the premise that every color has an emotional association and that individuals are drawn to different colors for different reasons. With more than 2,000 colors to choose from, the program offers the best color options in the industry to provide customization for any project. From exciting color palettes to an innovative collection of tools and handy color selection guidance, the PPG Voice of Colour program makes color selection easier than ever before.

Discover your perfect colors and digitally paint your space at visualizecolor.com.
