

Courage to *reframe the future*

Athena is an actuarial consulting firm that *fuses technical excellence and human empathy* to deliver innovative solutions in pension, health, and other benefit programs.

With a boutique approach to client service—backed by deep experience at large consultancies—our teams bring a rare combination of data modeling expertise and courageous, creative thinking with a heavy focus on people. Our goal is to give every client organization the evidence and understanding they need to make confident decisions about the future.

CORE CAPABILITIES

HOW WE'RE DIFFERENT

Proven Track Record

Our people have driven exceptional results at large and specialized firms across sectors.

Targeted Expertise

Small, highly skilled teams deliver boutique service and creative solutions.

People-Centered Approach

We enable focus and fresh thinking on every project —no burnout or autopilot.

Core Values

We commit to being *Passionate, Curious, Empathetic, Reliable, and Courageous* partners.

“Athena exceeded our expectations in terms of quality, transparency of communication, and compliance. Their report translated the areas in a way the audience could understand.”
