

pemora® : PROTON EXCHANGE IONOMER TECHNICAL SHEET

BENEFITS:

- PFAS-free, does not have adverse environmental impacts
- The only US Manufacturer of SPEEK Proton Exchange Ionomer in powder form at scale
- Higher temperature capabilities allow for a wider range of use
- Offered high purity ionomer with reproducible ion exchange capacity and ionic conductivity
- Domestic Supply Chain

FEATURES:

- Hydrocarbon-based ionomer
- Chemically Robust
- Dissolves in DMAc, DMSO, DMF, or NMP

TECHNICAL CAPABILITIES:

Form	Powder
Color	Yellow to Brown
Ion Exchange Capacity (mmol/g)	1.78-1.88
Conductivity (mS/cm)	0.030-0.040
TGA	WIP

**CHOOSE PEMORA IONOMER FOR A NEW LEVEL
OF SUSTAINABLE ENERGY FOR A BETTER WORLD.**
