

An elderly couple with white hair are sitting at a wooden table, looking at a laptop. The man is on the left, wearing a dark blue sweater over a light blue collared shirt, and is pointing at the screen. The woman is on the right, wearing a white long-sleeved shirt and glasses, and is smiling. The background is a bright, modern interior with large windows and a white wall.

Lightwire Fibre

Connectivity You Can Trust

Lightwire doesn't build generic networks - we create a managed, bespoke fibre network designed specifically for your village and residents.

Our team knows your people, where they live, and their unique needs - unlike wholesale providers where you're just a number.

This is your network, monitored 24/7 for security performance and reliability.

The same ease, security and simplicity you build into your premium villages - we deliver through our network.

Trusted

Lightwire has been delivering connectivity excellence for over 20 years. Our fully managed, end-to-end fibre networks provide fast, secure, and consistently reliable connectivity - built to perform without compromise.

Life Partnership

Lightwire is committed to forging strategic partnerships to deliver premium connectivity services - designed, built and maintained by Lightwire. We also provide flexible commercial solutions that minimise upfront capital investment.

Premium Connectivity Services

- ◆ Flexible commercial solutions that minimise upfront capital investment
- ◆ Our secure fibre network integrates Lightwire's Threat Feed Service (LTFS) - filtering harmful links and shielding residents from online threats
- ◆ One converged, monitored network supports all services - current and future
- ◆ Fully managed services ensure scalability for new technologies
- ◆ Simplified village billing with revenue sharing options
- ◆ Unlimited internet and VoIP included with free calling to landline, mobile & international
- ◆ Premium, NZ based 24/7 customer support for both management and residents

Proven

We deliver proven, best-in-class connectivity infrastructure and services tailored for premium lifestyle communities. Our success is built on customer satisfaction - without it, we have nothing.

Our award-winning, New Zealand based Customer Support Team understands your client and is committed to providing exceptional service.

Our Commitment

With Lightwire's fibre infrastructure and dedicated support, we drive financial efficiency, technical excellence, and outstanding resident satisfaction - today and into the future.
