

Project FoodBox's Post

If you are a Medicaid NY Member in the Bronx, you may be eligible for a NO COST grocery box with delivery for food insecurity, chronic conditions, and care management.

For food insecurity, chronic conditions and care management

Bronx Residents

Enjoy a **NO-COST** food delivery for eligible **MEDICAID** members

ENROLL TODAY

The advertisement features a vibrant green background. At the top, an orange banner contains the text 'For food insecurity, chronic conditions and care management'. Below this, the words 'Bronx Residents' are written in a large, bold, green font with a yellow outline. Underneath, a yellow rectangular area contains the text 'Enjoy a NO-COST food delivery for eligible MEDICAID members' and a button that says 'ENROLL TODAY'. To the right of the button is a QR code. The bottom half of the image is a collage of fresh produce, including blueberries, strawberries, carrots, broccoli, tomatoes, corn, and a melon, arranged around a green cardboard box. The box has the 'Project FoodBox' logo and some smaller text at the bottom.

Project FoodBox works with family farms to bring fresh fruits & vegetables directly to you.
