

Dear Families,

Welcome to the start of the 2025–2026 school year! I hope you and your family enjoyed a wonderful summer filled with rest, fun, and special memories. As we begin a new school year, I want to extend my excitement and gratitude for the opportunity to partner with you in supporting your child’s growth and success.

This year, our school theme is:

“Show Up. Team Up. Win Together.”

This theme builds on last year’s message of “Every Day Counts” and highlights the importance of working as a team—students, staff, and families—toward shared success. When we all do our part, we create a strong, supportive community where children can thrive academically, socially, and emotionally.

- **Show Up:** Attendance and engagement matter. Every day in school is a chance for your child to learn, connect, and grow.
- **Team Up:** Together, families and staff form a powerful partnership. Open communication and collaboration ensure that we can meet each child’s needs.
- **Win Together:** Success is a team effort! When students, families, and educators work together, we build a positive school environment where everyone benefits.

I encourage you to stay involved, whether through attending school events, supporting your child’s learning at home, or simply checking in with teachers. Your partnership makes all the difference.
