

Dark Eyewear. Innate Luxury.

We set out to create art you can wear.

Bio

DRK is a London-based luxury eyewear house dedicated to rare, sculptural frames produced in extremely limited quantities. Each piece is conceived as a wearable art object rather than a seasonal product, guided by craftsmanship, restraint, and intention.

DRK Kurai

A debut masterpiece limited to 300 individually crafted pieces.

Produced in Japan and released by application only.

Retail: \$1,990 USD

- Entirely hand-crafted in Japan
- Produced using traditional, non-industrial artisanal methods
- Distinguished by original design details, including twisted temples and bird-shaped nose pads
