Propmodel

The SaaS Backbone
for Prop Firms Worldwide

The Problem

01 02 03 04

Prop firms are growing fast but drowning in inefficiency
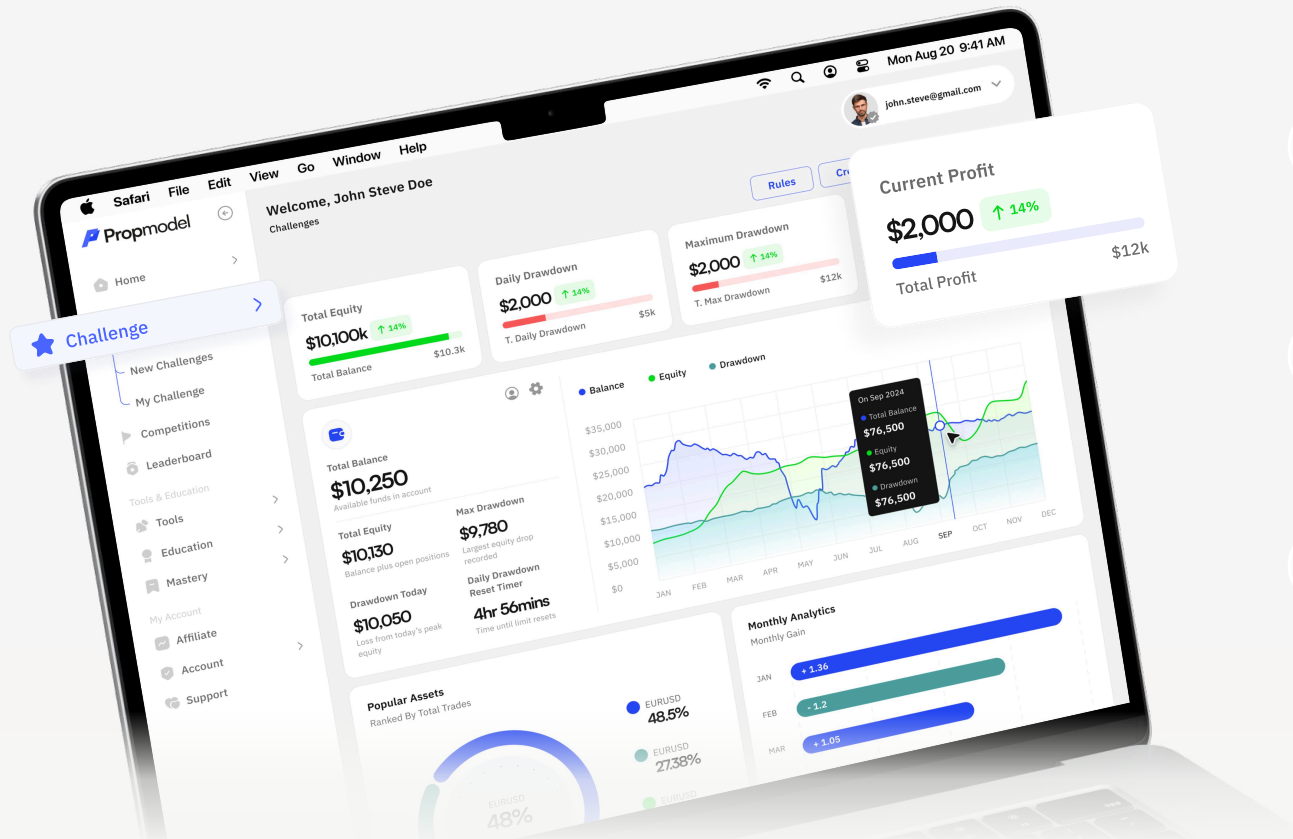

Multiple tools, poor integration, high overheads

Onboarding, payouts, compliance are slow & fragmented

Result: wasted time, higher risk, slower scaling

The Solution

Propmodel: the all-in-one SaaS platform built for prop firms

Scales seamlessly from boutique to global houses

Automates the back-end so firms can focus on growth

Trader, risk, and compliance management – all in one place

Key Features

Smart Onboarding
ID/KYC, contracts, instant setup

Trader Dashboards
Live performance & risk analytics

Automated Payouts
Crypto, bank, e-wallet integrations

Risk Controls
Drawdown limits, alerts, compliance tools

Affiliate Tracking
Referral & growth partner dashboards

White-Label Branding
Your look, your brand, our engine

Propmodel
