

ANDRII (ANDI) PATRYLO

PRODUCT DESIGNER

+44 7493 379 079 | patryloandrii@gmail.com | [Portfolio](#) | [LinkedIn](#)

CAREER SUMMARY

Product and UX designer with a computer science foundation and hands-on experience across UX research, interface design, and production implementation. Builds accessible, elegant interfaces and scalable design systems, translating business goals into user-centered outcomes. Comfortable moving from discovery and testing to design and delivery, with recent focus on measuring impact and adoption.

FORMAL EDUCATION

BS(Hons) Web and UX Design | Manchester Metropolitan University 2023 – Present
Junior Specialist, Computer Science | Ternopil State “Ivan Pul’uj” Technical University 2018 – 2022

TECHNICAL SKILLS

Figma | Adobe Suite | User Research | Design Systems | React | Next.js | Tailwind CSS | Webflow | Documentation
QA | Design Thinking

WORK EXPERIENCE

Product Designer | [Tevalis](#) 2025 – Present

- Defining and governing a multi product design system, accelerating delivery, improving cross product consistency, and lowering maintenance overhead.
- Championing accessibility and performance as core product quality attributes, setting measurable acceptance thresholds and ensuring they're met before release.
- Owning the end to end design lifecycle across the portfolio, from discovery and prioritisation through prototyping to developer ready specifications.
- Producing wireframes, interactive prototypes, and high fidelity specs in Figma, capturing states, edge cases, and acceptance criteria.
- Partnering with engineers throughout implementation and QA to safeguard intent, resolve ambiguities, and reduce UI defects pre and post launch.

UX/UI Designer | [Physitrack PLC](#) 2024 – 2025

- Designed UX/UI for web and product surfaces, informed by analytics and QA.
- Built and shipped marketing pages for lifecare and wellbeing divisions.
- Maintained localisation and documentation to improve delivery quality.

PAL Leader | [Manchester Metropolitan University](#) 2024 – 2025

- Mentored first-year UX students in Figma and core design methods.
- Facilitated inclusive sessions that improved skills and confidence.

PROFESSIONAL DEVELOPMENT

Generative and Agentic AI | Saïd Business School, University of Oxford 2025
UX Research certification | University of Michigan 2025
