LEGAL GROUNDS ON THE PROCESSING OF PERSONAL DATA

According to the current and new legislation POTATO CLUB B.V. may process personal data when applicable to one of the legal basis. POTATO CLUB B.V. uses the following legal grounds for the processing of personal data:

- As part of the formation and/or execution of an agreement. By means of registration on the website, you explicitly give consent to the processing of your personal data on behalf of the purposes as described above;
- To comply with the law (including accounting services, tax obligations and obligations as part of court orders or other mandatory legislation);
- In relation to justifiable interests of POTATO CLUB B.V., where POTATO CLUB B.V. will take care that the impact on your privacy is as limited as possible. Personal data will be processed in relation to:
 - Ø making studies, models, statistics, trends and developments;
 - Ø looking after and improving the website, by visiting our website POTATO CLUB B.V. can establish your click behaviour and provide you with targeted information based on that behaviour (profiling). The logic used by POTATO CLUB B.V. is that your IP address is connected to your actions and based on that, your preferences are being determined. We ask your explicit consent for this (see below at 'Website and Cookies').

WEBSITE AND COOKIES

On the website, user data will be kept track of, for example the most frequently searched pages. The goal of this is to optimise the website. This data can also be used to present you with the most relevant information for you, such as special messages in your fields of interest or special promotions (from advertisers). In this way our service to you can be optimised. Additionally, when we offer services we utilise cookies. A cookie is a small text file, which is being placed on the hard drive of your computer when visiting our website. A cookie contains data, through which you can be recognised as a (frequent) visitor when you visit the website. You can disable cookies, without this having far-reaching consequences for your use of the website. Disabling cookies can have the effect that certain elements of our website are less or not available to you anymore. On the website, you can find some links to other websites. While these websites are selected with care, we can not take any responsibility regarding the use of your data by these organisations. Please read the privacy statement (if available) of the website you are visiting.
