A Place to Belong. A Launchpad for Life.

Fort Erie International Academy (FEIA)
is more than a private school—it's a place
where your potential takes root.

Located on a historic 1926 campus in the heart of Fort Erie, Ontario, our school blends tradition and innovation to offer a world-class education with a personal touch. We serve both Canadian and international students through customized learning paths, individualized support, and a close-knit, inclusive community.

At FEIA, we meet students where they are—and help them grow into who they're meant to be. Whether you're a scholar, athlete, artist—or all three—this is a place where you'll be known, supported, and challenged to thrive.

Welcome to Fort Erie International Academy

At FEIA, students are known, supported, and encouraged to become their best selves.

Whether they arrive from across the street or across the globe, every student joins a community that feels like family. We believe in meeting students where they are—and helping them grow into confident, capable, and compassionate young adults.

Our education is rooted in values, enriched by diversity, and focused on the whole person. From academics and athletics to character and well-being, we provide the mentorship and challenge that high school students need to thrive.

This isn't just a place to attend high school—it's a place to find your voice, launch your future, and become the person you're meant to be.

Will Cockburn, Principal

"We teach soft skills, foster leadership, and help students become the main character in their own story."

Where Personalized Learning Meets Global Opportunity

At FEIA, academics are more than just curriculum—they're a launchpad for a purposeful life.

We offer the Ontario Secondary School Diploma (OSSD), a globally recognized credential that opens doors to top universities in Canada and beyond. With small class sizes, daily academic support, and personalized pathways, students are empowered to succeed—on their terms.

Whether your goal is U of T, UBC, or an NCAA scholarship, our programs are built to meet you where you are—and help you reach the next level.

FEIA's holistic approach blends academic challenge with mentorship, mental wellness, and real-world skills that prepare students for whatever comes next.

Your Future, Your Path

At FEIA, we understand that no two students are the same—so we offer multiple pathways to help each learner thrive.

All students graduate with the Ontario Secondary School Diploma (OSSD), but how they get there—and what they pursue afterward—is flexible, supportive, and tailored to their strengths.

Whether you're preparing for a top university, exploring applied learning, or balancing academics with elite-level athletics or arts, there's a pathway built for you.

Three Pathway Tracks

University Pathway

For students aiming for competitive universities in Canada or abroad.

Includes enriched courses, AP options, and advanced study skills.

College & Career Pathway

For students who thrive in hands-on learning environments.

Includes co-op placements, practical electives, and skill development.

Specialized Pathway

For student-athletes, artists, or entrepreneurs.

Combines academic excellence with elite training or creative development.

All Pathways Include:

- Individualized academic counseling
- ESL and academic support
- Mental health and wellness integration
- Post-secondary planning workshops

Learn. Build. Create. Lead.

FEIA's signature innovation programs combine academic excellence with real-world application—giving students hands-on experience in emerging fields like artificial intelligence, robotics, engineering, and music production.

These programs are designed for curious thinkers, future creators, and bold problem-solvers. Students explore cutting-edge tools, collaborate across disciplines, and graduate with the confidence to lead in high-tech and creative industries.

AI & STEAM Program Highlights

- Robotics, engineering design, and coding
- Cybersecurity, ethical hacking, and machine learning
- Project-based learning in modern science labs
- Final Year Capstone: Solve a real-world problem using AI

"This program isn't just about tech—it's about solving problems that matter."

Discovery and Adventure Program

- Hands-On Exploration: Learning through challenges, adventures, and cultural experiences.
- Skill-Building for Life: Activities foster leadership, teamwork, and resilience.
- Discovery Through Curiosity: Inspires questions, new perspectives, and adventurous learning.
- Outdoor & Experiential Learning: Nature-based learning that deepens real-world connection.
- Personal Growth & Confidence: challenges that build potential and self-belief.

"The Adventure and Discovery program empowers students through experiential learning, equipping them with transferable skills to reach their full potential."

Graduating with Purpose

At FEIA, graduation is more than a milestone—it's a launchpad.

Our students don't just earn diplomas. They leave with confidence, clarity, and next steps they're proud of. With the support of our academic advisors, teachers, and coaches, every graduate is guided toward the path that fits them best.

"FEIA helped me grow into who I am. I never imagined I'd be going to one of the top engineering schools in Canada—but they did."

Leo Zhang, Class of 2024

"The support I got from my teachers, advisors, and coaches at Fort Erie made all the difference. I felt seen and supported every step of the way."

Where Champions Grow—On and Off the Field

Athletics at Fort Erie International Academy are about more than wins and rankings. They're about resilience, leadership, and becoming your best self—physically, mentally, and academically.

With elite-level coaching, world-class facilities, and a strong focus on academic balance, FEIA empowers student-athletes to compete at the highest levels while staying grounded in who they are.

Whether your goal is an NCAA scholarship, a U SPORTS future, or just staying active through intramurals, you'll find your place—and your team—here.

Athletics at Every Level

At Fort Erie International Academy, we offer athletic opportunities for students at every stage of their journey.

Our Elite Teams provide a demanding, immersive training environment with advanced skill development, strength and conditioning, competitive schedules, and national/international exposure. Student-athletes benefit from personalized performance plans, mentorship, and recruitment support — all while balancing academics in a supportive boarding environment.

Our Development Teams offer the same structured training and competitive experience, with a focus on fundamentals, game readiness, and leadership. These programs help athletes sharpen their skills, build confidence, and prepare for advancement to elite competition.

For those who want to stay active in a more relaxed setting, **our Intramural Programs** are open to everyone. These fun, low-pressure activities let students try new sports, join in friendly competitions, and stay connected with friends — no tryouts or prior experience required.

No matter your skill level or goals, you'll find a place to play, grow, and belong at FEIA.

Why FEIA Athletics?

- National championships in basketball and hockey
- Integrated support for academic + athletic success
- Strength training, wellness, and nutrition coaching
- Focus on injury prevention and mental performance

"We're building more than athletes—we're building leaders."

Basketball. Hockey. Soccer. Built to Compete. Built to Grow.

FEIA is home to some of Canada's top high school athletic programs—designed for students who dream big and train hard.

From NCAA-bound basketball players to nationally ranked hockey and soccer stars, our athletes receive elite coaching, academic flexibility, and the support they need to perform at their peak—on the field and in the classroom.

The Best of Both Worlds

Fort Erie is more than our location—it's part of what makes FEIA special.

Set on the banks of the Niagara River and just minutes from Niagara Falls, Fort Erie is a safe, scenic town with a welcoming community and easy access to nature, cities, and top Canadian universities.

Students enjoy the charm and calm of a small town while being less than two hours from Toronto—Canada's largest city—and just across the border from Buffalo, New York.

It's the perfect place to study, grow, and feel at home.

Why Fort Erie?

- Minutes from Lake Erie and the Niagara River
- 90 minutes to Toronto, 10 minutes to Buffalo, 20 minutes to Niagara Falls
- Safe, friendly town with rich history and a strong sense of community
- Close to top universities including U of T, McMaster, Waterloo, and Western
- Walkable local shops, parks, cafes, and outdoor activities

**"Fort Erie gives you room to breathe
—but keeps you close to everything."**
