

Girls Basketball at FEIA

Elite Training.
Competitive Pathways.
Academic Balance.

A high-performance basketball program designed for student-athletes pursuing advanced competition while maintaining strong academic progress.

Program Overview

The FEIA Girls Basketball Program is designed for student-athletes who are committed to developing their game in a structured, high-performance environment while maintaining strong academic progress.

Training is integrated into the school day and supported by experienced coaching, a clear development pathway, and a team culture that emphasizes accountability, confidence, and long-term growth.

The program provides meaningful competitive opportunities and exposure, helping athletes prepare for post-secondary pathways in Canada and the United States.

A Day in the Life

The structured daily schedule helps student-athletes balance elite athletic development with strong academic performance.

Morning:

Optional workouts, shooting sessions, or team prep

Midday:

Academic classes with structured support

Afternoon:

Continued academics and recovery

After school:

Team practice, strength and conditioning, or skill development

Evening:

Study hall, team activities, and residence life
