PUSH TO OPEN SILENT

For hinged doors

Handleless furniture design conveys a clean, light and airy look. Push to open Silent for hinged doors means easy, reliable opening. Gentle and soft closing.

Press on opening access for hinged doors, battery operated Push to Open Silent features a retracting pin for design without any catches. Powered by four AA batteries ensures long life action with easy replacement and no power connection required. Benefit from the dual luxury of minimalist handle-less design and the quiet ease of integrated Silent System for soft-closing.

APPLICATIONS

- Handless applications in kitchens, sculleries, laundries, bathrooms and custom cabinetry
