Product Designer

I'm a Product Designer focused on creating intuitive, user-centered digital experiences. With a strong foundation in visual design, systems thinking, and usability principles, I design products that balance user needs with business goals. As a Microsoft Learn Student Ambassador, I lead workshops on design and technology, driving collaboration and continuous learning.

Experience

Ui Ux Design Intern

Webkart Digital Private Limited - Jan 2025 - Mar 2025

- Designed responsive interfaces for client projects, focusing on usability and accessibility.
- Collaborated with senior designers to refine layouts and create a cohesive design system.
- Worked on visual assets and web interactions using Figma and Adobe XD.

Visual Design Intern

Upstartic (Hoox) - Jul 2025 - Sep 20205

- Worked on two major web design projects, collaborating closely with the senior designer and developer.
- Focused on creating responsive layouts, refining visual hierarchy, and maintaining consistency across web pages.
- Supported the design team in preparing final deliverables and presentations for client handoffs.

Microsoft Learn Student Ambassador

Microsoft - Jul 2024 - Present

- Represented Microsoft in leading UX and tech innovation Initiatives.
- Organized 10+ workshops and mentored 250+ students in UX, design thinking, and product tools.
- Built a growing design and tech community within the college ecosystem.
