2.	The composite lab is not properly laid out and equipped. Wooden tables have been placed in the room with a few equipment. No work stations with proper utilities and storage area is seen. The three science labs need more equipment. The school shall upgrade all science labs as per the SoPs of the Board and submit compliance within 3 months on SARAS.
3.	The ramp shown at the entrance seems to be a temporary wooden wedge, which is dangerous for CWSN, similar wooden wedges are seen at the approach to a washroom. Moreover the ramp is provided at a side/back entrance and not at the main entrance of the school building. This is unacceptable as it is against the principle of inclusive education. The school shall construct a proper ramp at the main entrance of the school building at all other places like washrooms, as per norms of RPwD Act and guidelines issued by the Board and submit compliance within 3 months on SARAS.
4.	The school has converted a regular cubicle in washrooms to make CWSN toilets (with temporary signage). They are too narrow and small for a wheelchair/walker to navigate, hence are not as per norms. The school shall make provision for separate toilets for CWSN, boys and girls with permanent signage, also indicating the floor number, as per norms of RPwD Act and guidelines issued by the Board and submit compliance within 3 months on SARAS.
5.	The school shall ensure that its labs, library and sports facilities adhere to the SoPs issued by the Board.
6.	The school shall conduct mandatory training of its teachers with CoE Bengaluru and submit compliance within 3 months on SARAS.
7.	The school shall renew all mandatory certificates from time to time.
8.	The school shall not remove the mandatory disclosure section and videography links from its website.
