Principal- PVV

Dear Parents,

Warm greetings! As we continue our journey of learning and growth, I am delighted to share this month's highlights with you. Our students have enthusiastically participated in academic, co-curricular, and enrichment activities, reflecting their creativity, confidence, and commitment to excellence. I sincerely thank our parents for your continued support and partnership in nurturing every child's potential. Together, let us inspire our children to become lifelong learners, responsible citizens, and compassionate individuals. I hope you enjoy this glimpse into the wonderful experiences and achievements of our school community.

Aligning for Excellence: Teacher Orientation Programme

Monthly Newsletter

May & June 2026

Before welcoming our students back, our dedicated faculty participated in an inspiring Teacher Orientation Programme. The sessions allowed our educators to collaborate and align on our goals, explore the latest curriculum updates, and design new student welfare initiatives. This focused preparation ensures our teachers are fully equipped, energized, and ready to guide our students through a successful and nurturing academic year!

Building Partnerships: Parent Orientation

Our recent Parents' Orientation successfully united school leadership and families to set the stage for a great year ahead. We introduced our vision, curriculum expectations, and school policies, while highlighting the vital role parents play in supporting student success. By opening clear channels of communication and sharing upcoming schedules, we strengthened the vital partnership between home and school that drives our community forward. Thank you to all who attended!

The campus came alive with giggles and bright smiles as we welcomed our little ones back for a brand-new academic year. Our teachers and friendly mascots greeted the children with open arms and sweet takeaway gifts, creating an instantly comforting atmosphere. The day was packed with fun games and settling-in activities, helping our young learners bond with classmates and feel right at home.

Celebrating Our Heroes: Father's Day at PVV

On Saturday, 20th June, the school grounds echoed with love and laughter as we celebrated Father's Day. The morning kicked off with heartwarming performances by the children, who dedicated sweet songs, quotes, and speeches to their dads. The excitement soared with a lineup of high-energy games, allowing fathers and children to create beautiful memories together.

Eco-Warriors in Action! From our youngest learners to our seniors, the campus went completely green for our recent sustainability drive! Grade 10 students raised awareness about pollution and climate change through creative performances, posters, and an eco-march, while our adorable kindergarteners brought the theme to life in bright green attire, nature crafts, and a spirited campus rally. Led by our Principal and coordinators, the school took real-world action by planting saplings on campus and distributing trees and handmade paper bags to the local community.

Mindfulness & Bonding: International Yoga Day

Monthly Newsletter
May & June 2026

Our school recently celebrated International Yoga Day with great enthusiasm and energy, capping off two weeks where students practiced simple yoga poses and breathing exercises under the gentle guidance of their teachers. The celebration featured special yoga drills and impressive performances that highlighted the role of yoga in maintaining physical fitness, mental peace, and overall well-being. This wonderful initiative even extended into our students' homes, where parents joined their children to practice together, sending in beautiful photographs that showcased the power of fitness and family bonding. The event was both enjoyable and deeply meaningful, encouraging our entire community to embrace yoga as a daily routine and inspiring students to lead a healthy, balanced lifestyle.

Caring for Our Educators: Teachers' Health Check-Up Programme

Monthly Newsletter
May & June 2026

Prioritizing the well-being of our dedicated staff, the school recently organized a comprehensive Health Care Programme for our teachers. This initiative provided essential, regular health monitoring right on campus, promoting overall physical wellness and peace of mind. By ensuring our educators have the resources to stay healthy and energized, this program beautifully highlights the school's deep commitment to staff welfare. After all, a healthy, supported teaching team is the foundation of a thriving classroom!

Creativity Meets Sustainability: "Best out of Waste" Co-Curricular Activity

Our students recently showcased their incredible imagination during our latest Co-Curricular Activity (CCA): Best out of Waste. Turning ordinary plastic bottles, cardboard rolls, and ice-cream sticks into beautiful planters and attractive pen stands, our young creators learned vital lessons in recycling, resource management, and sustainable living. Beyond teaching environmental responsibility, this hands-on project helped foster teamwork, creative problem-solving, and confidence, proving that our students can easily transform everyday waste into something highly useful!

Mapping the Future: Career Guidance Programme for Grades 8 & 9

Monthly Newsletter
May & June 2026

To help our young minds plan their academic journeys with clarity and purpose, the school recently hosted a Career Guidance Programme for Grade 8 and 9 students. Expert counselors introduced a wide array of fields—including Science, Commerce, Humanities, Technology, Law, Design, and Entrepreneurship—breaking down the skills and qualifications needed for each. Through interactive presentations and a lively Q&A session, students explored how their current academic choices align with their personal strengths and interests. The event was highly beneficial, giving our students the confidence and awareness to map out their future goals with greater direction and excitement!

Thinking on Their Feet: "Pick and Speak" CCA Activity

On June 23, 2026, our Grade 9 and 10 students took part in an exciting Pick and Speak Co-Curricular Activity. Stepping up to the microphone, each student randomly selected a topic and had just one to two minutes to gather their thoughts and speak before their peers. This fast-paced challenge was a brilliant exercise in spontaneity, critical thinking, and public speaking. By organizing their ideas on the spot, our students beautifully showcased their expanding vocabulary, fluency, and oral communication skills. It was a wonderfully engaging session that did a fantastic job of boosting our students' confidence and helping them conquer the stage!

Empowering Tomorrow's Leaders: Student Council Elections

Monthly Newsletter
May & June 2026

Our Grade 8, 9, and 10 students recently participated in a dynamic, three-round Student Council Election designed to identify well-rounded leaders. Moving beyond a simple ballot, candidates were evaluated through a Quiz Round on school values and general knowledge, a Debate Round testing critical thinking and eloquence, and a Sports Round assessing teamwork and sportsmanship. This fair and transparent process highlighted our students' incredible confidence, discipline, and integrity. Congratulations to all participants, and best wishes to our newly elected Student Council members as they step up to serve our school community!

Together We Grow

We extend our heartfelt gratitude to all our wonderful parents, dedicated teachers, and enthusiastic students for making this month truly memorable. Your trust, cooperation, and vibrant energy continue to be the driving force behind our school community's success. Thank you for partnering with us as we learn, achieve, and grow together!
