Doctors' Day Celebration

Our little learners beautifully celebrated Doctors' Day through an engaging role-play activity. They confidently stepped into the roles of doctors, nurses, and patients, bringing smiles and enthusiasm to the classroom.

Through this fun-filled experience, the children learned about the important role doctors play in keeping us healthy and caring for our well-being. The activity also helped develop their confidence, communication skills, creativity, and imagination. A heartfelt thank you to all the doctors for your compassion, dedication, and selfless service. You are our real-life heroes!

Shapes Scavenger Hunt

In Shapes Scavenger Hunt activity, teams were given a list of specific items to find from hidden places. Children searched the classroom to find everyday objects matching specific shapes such as circular clocks, rectangular blocks, triangular hangers. This hands-on learning experience makes shape recognition more engaging and memorable. It also helps students connect classroom learning to the world around them in an enjoyable way.

Kargil Diwas

To commemorate Kargil Vijay Diwas, our young learners participated in a special colouring activity with great enthusiasm. Our tiny tots were given age-appropriate colouring themes that encouraged them to express their creativity while learning about the bravery, courage, and sacrifices of the Indian soldiers who protected our nation. It was a meaningful experience that nurtured patriotism, gratitude, and respect for our armed forces.

Guru Poornima

Our Pre-Primary students at Poorna Vikasa Vidyalaya celebrated Guru Purnima with heartfelt devotion, reverence, and vibrant enthusiasm. Adorned in traditional attire, our little ones honoured their teachers and mentors through inspiring short speeches and harmonious group chants, demonstrating that respect and gratitude start at a young age. It was a beautiful reminder of the timeless bond between teachers and students, filling our campus with warmth and positivity.
