

Kerry McIntosh

CHIEF OF STAFF

Dr. Kerry McIntosh is the Chief of Staff for Kairos Power. In this role, Dr. McIntosh is responsible for supporting the CEO and collaborating with other Executive team members to ensure effective leadership and communication across the company, including the execution of strategic business initiatives and process improvements for optimized productivity.

Prior to joining Kairos Power, Dr. McIntosh supported leadership and operations teams at aerospace startup Astra Space, Inc. For over a decade, Dr. McIntosh gained broad leadership experience at software company Autodesk, including serving as Chief of Staff to the CTO, supporting their advanced research teams.

Dr. McIntosh holds a Bachelor of Applied Science in Surveying from Queensland University of Technology and a Ph.D. in Digital Photogrammetry from the University of Newcastle, Australia. Dr. McIntosh was also a post-doctoral research fellow at the Technion - Israel Institute of Technology in Haifa, Israel.
