SEAM is dedicated to Corporate Social Responsibility (CSR), reflecting its aim to fulfil its obligations towards society, its clients, suppliers and employees.

Our business complies with the UN's Global Compact principles, comprising standards for:

- Corporate Responsibility
- Human Rights & Labour Standards
- Corporate Governance & Integrity Management
- Health & Safety
- Environmental Protection
- Local Development & Supply Chain Management

Our standard for Corporate Governance and Integrity Management is further detailed in SEAM's Code of Conduct.

SEAM has conducted a due diligence (Transparency Act) with respect to human rights and working conditions.

SEAM has a fundamental respect for all individuals and does not tolerate any discrimination based upon gender, origin, ethnicity, sexual predilection, religion, disability, age or political views.

Our commitment to CSR is built upon SEAM's core values and will guide the behaviour of our employees, strengthen the SEAM brand and protect the company values.
