Part of the **SUMER** Group

**AWARD WINNING
SPECIALIST TAX ADVICE TAILORED TO A
WIDE RANGE OF BUSINESS TAX SCENARIOS**

**Our goal is to ensure you achieve the most
favourable outcomes for your tax-related matters.**

**Our expertise extends to providing specialist tax advice
to accountants, tax advisors, solicitors, and their clients.**

Reorganisations & Reconstructions

We have extensive experience in all forms of corporate reconstructions and reorganisations, including mergers, demergers, incorporations and share exchange transactions.

Succession Planning

We work closely with owners to create and execute effective exit strategies.

Employee Incentivisation

We provide end-to-end support in designing and implementing employee share options schemes and incentivising employees with direct share ownership.

Venture Capital Tax Reliefs

We assist companies with implementing EIS and SEIS investment schemes as well as technical planning in relation to reconstructions of (S)EIS companies.

Anti-avoidance

Expert advice helps navigate complex anti-avoidance legislation (e.g. Transactions in Securities and TAAR), ensuring compliance and mitigating risk.

VAT Services & Advisory

Our specialised support ensures your VAT affairs are both compliant and cost-effective, minimising risk and maximising efficiency.
