

# MEDICAL EQUIPMENT MANUFACTURING

## From the Frontlines to the Lifelines

Discover why a skilled workforce focused on stringent quality and engineering demands is a natural extension to not only protecting, but saving lives.

# PRECISION WITHOUT COMPROMISE

Your mission and demand for a skilled workforce to maintain medical devices is shaped by rigorous standards, demanding engineering and quality requirements.

With flexible staffing and global manufacturing, ND Defense delivers tailored end-to-end solutions to meet our clients' needs from domestic, nearshore, and offshore facilities.

ND Defense is committed to the highest quality standards in everything we do with a passion for continuous improvement.

ND Defense is **ISO 9001:2015** certified. Our manufacturing partners meet **ISO 13485**, and our electrical assembly team is **IPC-certified**. We are working toward ISO 13485 and **AS9100D** at all manufacturing locations.

-  **Cost Savings**
-  **Reduced Time-To-Market**
-  **Scalability**
-  **Global Reach**
-  **Quality Assurance and Compliance**
