

DOMESTIC CONTRACT MANUFACTURING

By offering end-to-end manufacturing solutions, ND Defense makes it possible to bring outsourced manufacturing to scale, seamlessly.

Experience and Expertise

- Broad engineering & prototyping services
- Autonomous and flexible manufacturing capabilities
- New Product Introduction (NPI) & full rate production capabilities
- Tig/Mig precision welding
- Assembly
- Paint/Finishing Capabilities

Market Capability

Defense

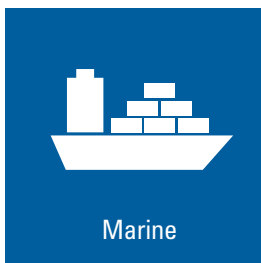

Work Trucks/Trailers

Construction/Ag/Mining

Energy

Marine

Rail

Aerospace

Unmatched Resources

- Engineering and prototyping center of excellence in Michigan
- 160-acre site in the Golden Triangle region of Mississippi
- 650,000 sq ft of flexible manufacturing space with 40' high-bay ceilings
- Over 100,000 square feet of warehousing space
