

# A Treatment Plan for Practice Growth

You are an expert in finding out what your patient needs and creating a treatment plan to get there. But, when was the last time you did the same things for your practice? Join us for a strategic planning intensive! In this event, you will learn:

- Current industry trends and how to optimize your practice for sustainable growth.
- The most efficient and cost effective way to expand.
- How to optimize overhead and maximize cash flow.
- How to influence the performance metrics that determine the health of your business.
