# DENTAL MASTERMIND

## ATX Dental Mastermind Founding Members Launch Event

Join a select group of growth-minded dentists, specialists, and dental leaders for the inaugural ATX Dental Mastermind, an exclusive networking and collaboration event focused on leadership, practice growth, technology, and operational excellence.

Unlike traditional study clubs that focus on clinical CE, the ATX Dental Mastermind is designed to foster meaningful conversations around the real challenges facing today's dental practices, including team development, accountability, technology integration, profitability, hiring, and sustainable growth.

This invitation-only event will bring together independent dental professionals and strategic industry partners to connect, collaborate, and share ideas in a relaxed, peer-to-peer environment.

Join us for valuable conversations with professionals committed to building stronger practices and stronger teams.
