

Construction Home Loan

Target Market Determination (TMD)

June 2026

This Target Market Determination (TMD) is required under section 994B of the Corporations Act 2001 (Cth). It sets out the target market for the product, triggers to review the target market and certain other information. It forms part of the lender's design and distribution framework for the product. This document is not a product disclosure statement and is not a summary of the product features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs. Persons interested in acquiring this product should carefully read the loan offer and general terms and conditions and obtain independent advice before making a decision whether to buy this product to ensure that it is appropriate for their particular objectives, financial situation and needs.

Product Issuer: This product is serviced by Bluestone Servicing Pty Limited ACN 122 698 328 Australian Credit Licence No. 390183 on behalf of the credit provider Permanent Custodians Limited ACN 001 426 384. References to 'we, us, our' in this TMD are references to the Product Issuer.

Target Market

The target market for this product, and the key attributes of this product that meet the needs, objectives and financial situation of consumers in the target market, are set out below:

This product has been designed for consumers who have the following needs, objectives and financial situation:	Attributes of this product that make it appropriate for the target market:
<p>A consumer who wants a loan for the primary purpose of financing the construction of residential detached homes or duplexes or structural renovations to existing dwellings.</p> <p>A consumer who wants to only pay interest costs during the construction phase of the loan.</p>	<p>Consumers can borrow up to \$3 million with a loan term of up to 30 years in duration to finance the construction of residential homes or townhouses (2 max) or structural renovations to existing dwellings.</p> <p>Consumers can drawdown the loan progressively.</p> <p>Consumers must have a fixed price building contract.</p> <p>The loan requires a minimum two-year interest only term to cover the construction term.</p>
<p>A consumer who wants a loan that is paid off over time with regular repayments, with flexibility to make extra repayments.</p> <p>A consumer who may also want the ability to minimise repayments beyond the construction</p>	<p>The loan requires regular scheduled repayments of principal and interest. Consumers can also make additional repayments through a variety of ways.</p> <p>An interest only term applies for a minimum of 2 years during the construction term and may be</p>

term for a period of time by only repaying interest costs.	extended (subject to approval) up to 5 years in total.
A consumer who wants flexibility to access to funds built up with additional payments.	This loan provides consumers with a redraw feature for extra repayments and/or a linked offset feature.
A consumer who wants an interest rate that varies.	A loan with a variable interest rate. Fixed interest rates are currently not available.
A consumer who will have at least 20% equity in the residential home or townhouse.	A loan with a maximum Loan to Value Ratio (LVR) up to 80% based on the as if complete valuation (inclusive of capitalised fees).
A consumer who can provide acceptable security for the loan in accordance with our criteria.	Consumers must be able to provide residential property to secure the loan.
A consumer who can satisfactorily demonstrate they are able to afford to repay the loan.	We apply our affordability checking process to assess the consumer's ability to repay the loan. We consider consumers with clean or minor credit issues in line with our credit assessment criteria.
A consumer who can meet our other eligibility criteria.	We apply our eligibility and suitability checking process to assess whether this product is consistent with our eligibility criteria and the consumer's needs and objectives.

Consumers this product is not suitable for

This product is not suitable for:

- consumers seeking LVR above 80%;
- consumers with a cost plus building contract;
- consumers building greater than 2 dwellings on 1 title;
- consumers with significant adverse credit events.

Review of this TMD

Review Triggers

This TMD will be reviewed upon the occurrence of any of the following triggers:

- A material change to the design or distribution of the product, including related documentation or policies;
- Product performance is materially inconsistent with our expectations of the appropriateness of the product to consumers:
 - Where there is a significant change in our total borrowers (joint borrowers to be treated as a single borrower) requiring financial assistance at any one time;
 - Where there is a significant change in our total borrowers (joint borrowers to be treated as a single borrower) that are in arrears;
 - Where there is a significant change in loan applications declined;
 - Where there is a significant or unexpectedly high number of complaints that arise from product or distribution concerns;
- Reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate;
- Regulator orders or directions in relation to the distribution of this product where we consider this reasonably suggests that this TMD is no longer appropriate;
- The occurrence of a significant dealing in the product outside the target market; and
- A material change to our Credit Policy.

Review Periods

Subject to intervening review triggers, the first review of this TMD will occur no more than 12 months after the Effective Date, and this TMD will be reviewed every 12 months thereafter.
