

Unlock the Strategic Value of Customer Advocacy

About ReferenceEdge

ReferenceEdge is the original Salesforce-native customer advocate platform. It enables marketing, sales, and customer success teams to easily identify and activate reference-ready advocates—right inside Salesforce.

Core Value Propositions

- Leverages Salesforce Agentforce AI
- Boosts customer retention and loyalty
- Delivers measurable insights on advocacy-influenced revenue
- Adds measurable influence to lifecycle marketing
- Improves campaign conversion with social proof
- Scales customer storytelling across all funnel stages
- Integrates with your MarTech stack natively
- Ensures data security with the Einstein Trust Layer

Key Business Outcomes

Referred customers have 37% higher retention and 16% greater lifetime value
