VISION

The Vision Plan is administered by Vision Service Plan (VSP) and includes eye exams, frames, lenses, and contacts every 12 months. You'll save money if you go to a network provider.

You can use any eye doctor you choose, but using VSP in-network providers will save you money. Use the Find a Provider tool at https://www.choosevsp.com/find-a-doctor.html to locate an in-network eye doctor. You'll save money if you go to a network provider.
