# Hello from Jessica

I'm excited to personally invite you to RampUp 2026, the premier event for the innovators shaping the AI-powered future of marketing. Join us in San Francisco, March 3–5 at the Hyatt Union Square, to explore how data collaboration is driving stronger customer connections and accelerating brand and business growth.

With 2,000+ leaders from global brands, publishers, agencies, media networks, and tech partners expected, RampUp is where ideas meet action. You'll hear from visionaries pushing the industry forward, dive into data strategies that unlock new growth opportunities, and see how LiveRamp's data collaboration network is fueling measurable impact across CTV, social platforms, commerce media networks, and beyond.

In today's rapidly evolving landscape, embracing the future isn't optional—it's your competitive edge. We'd be honored to have you join us at RampUp 2026 to connect, learn, and shape what comes next.
