

## Welcome to our 42nd Annual Production Sale

In Previous years we entered our bulls in numerous gain tests and continually were leaders in average daily gain and weight per day of age. We continue to enter our cattle in carcass and gain competitions throughout the United States and consistently top these tests.

Our bulls are being fed a high roughage ration that gives a comparable measurement of their genetic capabilities. We are very conscious of the breeding qualities and soundness needed to have these bulls continue to work for you, our customer.

We thank you for attending our sale and considering our cattle.

'DeBruycker bulls do us a heck of a job. They're phenomenal on an angus cow. Good conception, ease of calving. We're totally tickled with the performance we get! We buy 30 bulls a year. There's no other place you can go to get the caliber & volume we get with DeBruycker bulls, it's quality you can not get elsewhere. The family has always been great to us, it's more than just a business deal. That personal contact ya can't beat.'

"I have shopped for Charolais bulls at many other breeders, and I have found DeBruycker bulls to be superior in all areas important to commercial cattlemen. I get better genetic potential purchasing the less expensive bulls at DeBruycker's sale than when I have purchased top bulls from other breeders. DeBruycker bulls are thick, stout, and hard-working. These bulls handle rough country very well. The hold up better than other bulls and their feet stay sound."
