

Where Employee Well-Being Meets Organizational Excellence

Empowering Workforces and Transforming Lives for Over 40 Years

National EAP is a women-owned, trusted partner in cultivating healthier, more productive workplaces across the nation. We specialize in fully customized employee and organizational assistance programs that enhance well-being, elevate performance, and foster cultures of excellence.

What Sets Us Apart

We take time to understand your people, your culture, and your goals. Then, we build a tailored support system that helps your team thrive.

- ✓ Comprehensive Assessments
- ✓ Tailored EAP Solutions
- ✓ Proactive Early Intervention
- ✓ Compassionate, Accessible Support
- ✓ Expert Risk & Crisis Management

What We Offer

- Personalized care management and action plans
- Employee mental health & well-being resources
- Workplace conflict resolution & engagement strategies
- Measurable outcomes and cost-effective solutions

Every organization is unique—and so are our solutions.

Where Employee Well-Being Meets Organizational Excellence

The Right EAP Partner Makes All the Difference

A powerful EAP can be the difference between reactive management and a resilient workforce. We deliver **Provider, Programs, and Price in perfect balance**—offering meaningful, measurable ROI while truly caring for your people

Quality You Can Count On:

- Real-time call monitoring (avg. answer time: < 1 minute)
- Standardized intake & case management procedures
- Two-business-day turnaround for referrals
- Member & HR satisfaction surveys
- Quality assurance through monitored service benchmarks

Our promise? *Every interaction is intentional, impactful, and rooted in empathy.*

Let's Build a Healthier, More Resilient Workplace—Together.
