

Client Referral Program

Your trust deserves a reward!

NEAP values the trust and partnerships we build with our clients. Our **Client Referral Program** is designed to recognize and reward clients who refer organizations that may benefit from NEAP and Athrú Training Partners services.

How It Works

- Refer an organization to NEAP.
- If the referral results in a fully executed agreement, you earn rewards.
- There is no limit to the number of referrals you can submit.

Submit a Referral

Send an introduction **email to Alessandra Mannino**, at alessandramannino@nationaleap.com, and **CC your Referral** on the message.
